## Press Release

07 November 2022

### BOU School of Business Launched new LMS

As a part of the Blended Learning initiative of Bangladesh Open University (BOU), BOU launches a newly designed LMS for its School of Business 6<sup>th</sup> November 2022. Vice Chancellor Professor Dr. Syed Humayun Akhter launched the new LMS at the eLearning Center of BOU. At that moment, Pro Vice Chancellor (administration) Professor Dr. Nasim Banu, Pro Vice Chancellor (academic) Professor Dr. Mahbuba Nasreen, Treasurer and Dean of School of Business Professor Mostafa Azad Kamal, Registrar Dr. Md. Shafiqul Alam, other schools Dean and Divisions Directors were present there.

This software has been designed and developed for scaling up the school of business courses. The LMS has been designed and developed with the support Commonwealth of Learning (COL) with the consultancy support by Sabbir Hossain. Treasurer and Dean of Business School Prof. Mostafa Azad Kamal, who was the coordinator and instructional designer in the project, mentioned that the LMS has been designed for offering the regular business courses and also for offering the skill courses throughout the nation. He mentioned anybody from anywhere will be able to join the courses via LMS. He also indicated that business school will use this LMS to offer Skill based MOOCs to prepare our learners for the 4th Industrial age.

Your Faithfull
